By planning early, you can include your monthly payment in your budget, which will allow you to greatly minimize the amount due upon completion of your trailer or truck.

Minimum monthly payment: \$5,000.00
Remaining balance due upon trailer or truck completion.

Example: Place your order in September with a March completion date for a 13' trailer and a diesel generator package. Make 7 monthly installments of \$5,000 and only owe \$5,295 plus shipping costs upon completion and delivery.

Monthly payments can be made by check, Visa or Mastercard only - credit card payments are subject to a 3% surcharge.
